

Haiti

Come to Haiti and spend an exciting week working alongside New Missions at one of our 18 schools and churches. Our missionary team will prepare you for your experience with evangelism tools and cross-cultural materials, training you how to effectively minister in the poorest country in the Western hemisphere. They will link you with our Haitian pastors and their team of leadership and, together, your week will be focused on serving in the rural fishing and farming villages along the coast of Haiti. Your efforts in evangelism, construction, medical relief, education and serving others will make an eternal difference. The life that will be changed the most may be your own.
